

Medicolegal Handbook for General Practice Order Form

For several years now, Dr Sara Bird, one of MDA National Insurance's Claims Managers, has been contributing regular risk management articles to the Royal Australian College of General Practitioners (RACGP) journal *Australian Family Physician*.

The popularity of these articles prompted the RACGP to suggest that Dr Bird pull together a number of the articles into a book that could become a useful resource for GPs on common medicolegal and risk management issues.

MDA National is pleased to have been involved in the production of the book, which provides practical advice using case studies, real life examples and risk management tips.

The Medicolegal Handbook for General Practice is available for purchase from the RACGP at \$22 for members, \$38.50 for non-members.

MDA National Members can obtain a FREE copy of the book by calling us on **1800 011 255** or filling out this order form and faxing it to **(02) 9460 8344**.
