6. Prior practice

To ensure you have ongoing cover for your prior practice we will offer you retroactive cover.

Retroactive cover provides cover for your prior practice for which you do not have ongoing cover from any other source. We offer unlimited retroactive cover in most cases however in certain instances we may offer a specific retroactive date. If you do not have sufficient retroactive cover, you may have to fund a claim or investigation personally, for example, a settlement or award and all associated legal costs. You will appreciate that these costs can be considerable.

Medical indemnity claims can first come to light some years after the patient was treated or when the healthcare services were provided. It is advisable therefore that you give full consideration to your own circumstances and indemnity needs before completing this section. If you have any questions or are unsure about how to complete this section, refer to the Retroactive Cover section in the Product Disclosure Statement or contact our Member Services team on 1800 011 255. Before we enter into a medical indemnity insurance contract, we are required by law to make you an offer to cover all prior periods of practice for which you would otherwise be without indemnity cover. We therefore rely on you to advise us of your retroactive cover needs.

In doing so you may need to take into account the following:

1. If you have undertaken any prior private practice;
2. If you were previously insured under a ‘claims made policy’ and did not purchase or are not planning to purchase ‘run-off cover’ from your prior insurer;
3. If you have any prior practice where you do not have indemnity from your employer or under a Government Indemnity Scheme.

In order to determine the appropriate retroactive cover please complete the following section.

6.1 When did you or will you first commence practice in Australia?

Please provide the earliest date that you started any medical practice in Australia for which you do not have ongoing cover from any other source such as a public hospital, the government or your employer.

To have a thorough understanding of the cover provided under your Policy please read the following information in conjunction with the current *Combined Risk Category Guide, Product Disclosure Statement, Policy wording and Financial Services Guide and any relevant Supplementary PDS and Endorsement to the Policy wording* available on mdanational.com.au.

Your duty of disclosure

Before you enter into an insurance contract, you have a duty, under the *Insurance Contracts Act 1984* (Cth) to tell us anything that you know, or could reasonably be expected to know, that may affect our decision to insure you and on what terms. You have this duty until we agree to Insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Claims made cover

The Professional Indemnity Insurance Policy is a claims made contract of insurance. This means that the policy responds to matters that have occurred on or after the retroactive date you first become aware of and notify to us in writing during the period of insurance.

Requirement to notify us

You must notify us in writing as soon as practicable of any material alteration of the risk during the period of insurance including any material change in:

You must also notify us as soon as practicable after you become aware of:

- any claim, investigation or inquiry;
- any circumstance that might lead to a claim against you or to an investigation or inquiry involving you;
- any other matter which might give rise to a claim for indemnity under this Policy.

Rights under section 40(3) of the *Insurance Contracts Act 1984* (Cth)

If you have a Policy with us and you give notice in writing to us of any facts that might give rise to a claim against you as soon as reasonably practicable after you become aware of those facts, but before the expiry of the period of insurance, you may have rights under section 40(3) of the *Insurance Contracts Act 1984* (Cth) to be covered in respect of any claim subsequently made against you arising from those facts even though the claim is made against you after the expiry of the period of insurance. These rights arise under the legislation only and are not terms of this contract of insurance.
